SECURITY WITH A DIFFERENCE

Kaspersky Lab delivers the most powerful anti-malware on the market by harnessing the world-leading Security Intelligence that is built into our DNA and influences everything we do – and how we do it.

- **We're a technology-driven company** – from top to bottom – starting with our CEO, Eugene Kaspersky.
- **Our Global Research & Analysis Team (GReAT)**, an elite group of IT security experts, have been the first to uncover many of the world's most dangerous malware threats and targeted attacks.
- **Many of the world's most respected security organizations** and law enforcement agencies have actively sought our assistance.
- Since Kaspersky Lab develops and perfects all of its own core technologies in-house, our products are naturally more stable and more efficient.
- **Each year, Kaspersky Lab participates in more independent tests than any other vendor** – and we come top in a much higher percentage of tests than any other vendor!
- **The most widely respected industry analysts** – including Gartner, Inc, Forrester Research and International Data Corporation (IDC) – rate us as a Leader within many key IT security categories
- **Over 130 OEMs** – including Microsoft, Cisco Meraki, Juniper Networks, Alcatel Lucent and more – use our technologies within their own products and services.

That's what makes the difference!
